

# A unique venue for special occasions

This beautiful and historically important chapel can be booked for weddings, civil unions, baptisms, and funerals. The chapel is interdenominational. Other commemorative occasions, cultural events, and recitals are also welcome.

The chapel seats up to 50 guests with:

- Technical capacity for others to join in via Zoom
- An excellent sound system for your choice of recorded music, or an organist who can provide live music for your event

# Imagine your event being held in this boutique venue in the heart of the city

The memorial garden provides a delightful setting to complement the peaceful atmosphere of the chapel's beautiful interior and is ideal for taking photographs.

Parking is at a premium in this central area but for special people in your party there are four carparks right next to the chapel. There is wheelchair access on this side of the building.
